12647 Alcosta Boulevard, Suite #360  
San Ramon, CA 94583

## RESPONSES TO DESIGN FIRM QUESTIONS

**Q:** If our firm pursues and is selected to complete the schematic design phase under this RFP, would this exclude us from being considered for the future design-build work associated with the project?

**A:** Should your firm be selected to complete the schematic design phase under this RFP, your firm will not be precluded from pursuing the future design-build RFP as mentioned in Exhibit A, page A-2, under Additional Services.
